Ascension of The Lord

Seek above all else to be in union with God.

When praying for his disciples, Jesus prayed for their protection from the power of the evil one, and for their union with God. In other words, he prayed for their holiness. This is a good reminder that what matters most is our holiness, and holiness comes through our union with God, the source of all holiness. Let us strive to live in a manner that reflects this purpose.

In the first reading, Matthias is selected by lot to replace Judas and be counted as a witness to the Resurrection. In the second reading, John explains that God has revealed his love by sharing his Spirit with us and by sending his Son for our salvation. In the Gospel, Jesus prays that the Father will preserve his disciples in union with him, protect them from the evil one, and sanctify them in his truth.
